

AGREEMENT

This agreement is made and entered into by and between the Little Traverse Bay Bands of Odawa Indians (hereinafter “the Tribe”), a sovereign nation, and the Michigan Department of Human Services (hereinafter “the Department”), the state title IV-E agency, 235 S. Grand Avenue, Lansing, MI, 48909.

**PURPOSE OF
AGREEMENT**

42 U.S.C. § 672(a)(2), also referred to as Part IV-E of the Social Security Act, requires that an agreement exist between the state title IV-E agency (Department) and another agency as a mechanism for the other agency to obtain Federal IV-E funds in accordance with title IV, Part E, section 472(a)(2).

The Department of Human Services is the state agency responsible for the compliance with federal requirements of the title IV-E foster care program in Michigan and administration of the State plan for title IV-E of the Social Security Act.

The Department recognizes its responsibility in giving full faith and credit to public acts, records, and judicial proceedings of a Tribal court applicable to Indian child custody proceedings to the same extent given to any other entity as required by 25 U.S.C. § 1911(d).

The Department recognizes that the Tribal court may retain jurisdiction and authority over placement and care responsibilities for all appropriate child(ren), and will designate the services to be provided by order of the Tribal court.

25 U.S.C. § 1919 authorizes states and Indian Tribes to “enter into agreements with each other respecting care and custody of Indian children”. Both parties agree that this document is consistent with the law, intent and spirit of the Indian Child Welfare Act.

The parties to this agreement understand and agree that the State and its counties and other agents, in its Title IV-E agency role, shall comply with the mandates of the Federal Indian Child Welfare Act.

Based on these principles, this agreement allows the Department to provide title IV-E foster care maintenance payments on behalf of

the Tribe for Indian children placed in out-of-home care by the Tribal Courts for Title IV-E eligible children in foster care.

It is further agreed:

The Department shall provide written notice to the Tribe of pending modifications of the title IV-E State Plan affecting this agreement.
- IV. VII. The Tribe acknowledges that the United States Department of Health and Human Services (DHHS), Administration of Children and Families (ACF), the Michigan Department of Human Services (DHS), and the Michigan Office of the Auditor General conduct periodic reviews of the title IV-E eligibility and claiming processes. Upon advanced written notice the Tribe will make the following information available:

- Case files of children in foster care determined to be title IV-E Reimbursable and/or Eligible.

The records and case files shall at all times remain the property of the Tribe and will be returned immediately upon completion of the review process. VIII. This agreement may be modified upon the agreement of both parties.

The Department's Federal Compliance Division shall provide training and technical assistance to Tribe regarding compliance with federal title IV-E requirements and to ensure that Tribal case files contain proper documentation. The Department shall provide the appropriate forms, consultation, and monitoring to enhance such compliance.
- II. The Department will provide training and technical assistance on other related topics at the request of the Tribe.
- III. The Tribe must utilize fully licensed out-of-home care providers, with full faith and credit given to Tribally licensed providers in order to have a foster care placement be reimbursable for title IV-E payments.
- IV. The Tribe shall provide to the local DHS Child Welfare Funding Specialist all the information / documentation necessary to establish a child's eligibility for title IV-E, including both initial

eligibility and ongoing eligibility for reimbursement. This includes copies of all court orders, family financial information, licensing documentation, and any other necessary information.

- V. The Tribe shall be held harmless for errors associated with the child's title IV-E eligibility as determined by DHS unless DHS relied upon inaccurate financial information supplied by the Tribe for the eligibility determination. Errors associated with ineligible payments are the Tribe's responsibility if the Tribe failed to use a properly licensed provider. Errors associated with a non-title IV-E compliant Tribal Court order will be the Tribe's responsibility.

This agreement shall not infringe on the sovereignty of the Tribe to establish Tribal policies and procedures, including Tribal children's code, foster care policy, and foster home licensing procedures. Full faith and credit will be given by the Department to Tribal policies and procedures as long as they are consistent with the state's obligation to operate the title IV-E program in accordance with federal regulations.

The Department will continue to work with the Tribe to assure a process by which the results of Central Registry Clearances will be provided to the Tribe for all applicants who are seeking to be licensed by the Tribe.
